

City of Poulsbo

Public Works, Engineering Department

March 3, 2010

Dear Resident,

The City of Poulsbo Public Works Department has contracted with Krazan, Inc. to perform a geotechnical evaluation on Fjord Drive, near the recent landslide at the intersection of Fjord and Sommerthseth Street. Engineers will be conducting drilling on Monday, March 8th and Tuesday, March 9th.

On Tuesday, March 9th, Fjord Drive will be closed to all through traffic at the intersection of Ryen St. and Fjord and 6th and Fjord from 10:00 AM to 2:00 PM. Please note that Fjord Drive from Ryen St. north to Front St. will remain one way northbound during this closure.

Only local access will be permitted during this time. Traffic flaggers will be onsite to direct traffic.

If you have questions or concerns, please contact the Engineering Department at 360-779-5111.

Thank you,

City of Poulsbo
Public Works Department
