## **New City Hall Open House #4 – Taking shape on Moe Street**

(Poulsbo, WA) – The City of Poulsbo will host its fourth public Open House for their New City Hall Project on Wednesday, October 21 at 4:00PM. After five months of productive construction, the New City Hall is taking shape and progress is apparent every day. Steel will be rising this month, and we'll have windows by December.

The Open House is planned to announce the next phases of the project, including what can be expected over the next nine months, the completion schedule, and the potential move in date. The planned fixtures and finishes will also be available for review.

Following the Open House, site visits around the building site will be available with Mayor Kathryn Quade and the Project Manager Richard Potter. Another site visit also has been scheduled for Saturday, October 10<sup>th</sup> at 1:00PM. To sign up, please call Carly Michelson at (360) 779-1259.

For up to date information on the New City Hall Project, visit the city's website at [www.cityofpoulsbo.com](http://www.cityofpoulsbo.com). The City also has a new electronic newsletter sending out regular updates on City projects and special events; visit the website to join the mailing list.
