We are pleased you have selected Poulsbo as a place to live and/or work. The City was founded by Scandinavian immigrants over 100 years ago and continues to maintain its Scandinavian atmosphere through its architecture, celebrations and hospitality.

The City of Poulsbo operates under a Mayor-Council form of government. The mayor, elected by the people for a four-year term, is the executive officer of the city, coordinating the day-to-day activities. The Council is the policy-making branch and consists of seven members elected at large to staggered four-year terms. Council meetings are held the first three Wednesdays of each month at 7:00 pm in Council Chambers.
