

**TRAFFIC DEFERRALS
FREQUENTLY ASKED QUESTION**

Q: Can I keep my traffic ticket off my driving (Department of Licensing) record?

A: If you have received a traffic infraction, you may be eligible for a Deferred Finding. You qualify for a Deferred Finding if you have not taken this option on a traffic ticket within the last seven years. Upon successful completion of the deferral conditions your ticket will be dismissed. You may defer only one moving infraction and only one non-moving infraction each seven years. The length of the deferral period is one year in this Court.

The Court does not allow deferrals for these five infractions: Passing a School Bus, Speeding in a School Zone, Speeding in a Construction Zone, Speeding 20 miles over the limit or more, or any infraction where a fatality occurred. The Judge can not grant a Deferred Finding if you have a commercial driver's license.

If you qualify for a Deferred Finding and want to request the Judge to consider your request without a Court hearing you will need to read, sign and mail in this Deferred Finding Statement. If you qualify for a Deferred Finding the Judge will sign the order and a copy will be mailed to you. Your one year deferral will start from the date the Judge signs the order. Payment is due in full within 30 days from the date the Judge signs the order unless you have selected another payment option on the back of this form.

If you had insurance at the time of the stop, and submit proof that your insurance was in effect on the date of your traffic ticket, your insurance charge will be dismissed with a \$25 statutory assessment.

If you do not want a Deferred Finding but wish to mitigate or contest your ticket by mail instead of appearing in Court, follow the instructions for the Hearing by Mail section on the back of this form.

DEFERRED FINDING STATEMENT BY DEFENDANT

1. I agree to pay the required Administrative Fee of \$150 within thirty (30) days, unless I have selected another payment option on the back of this form.

2. The Court will dismiss my infraction(s) marked DF (deferred finding) at the end of deferral if I pay the required Administrative Fee and I do not commit a new traffic infraction or criminal traffic offense at any location within one year of the Deferral Order being signed.

3. If I fail to comply with the conditions of the deferral, including payment of the administrative fee, the entire penalty stated on the Notice of Infraction will be due in addition to the administrative fee. The Court may, without a hearing or without further notice to me, enter a finding that I have committed the infraction(s) listed on the Infraction Number shown above and will report the finding to the Washington State Department of Licensing.

4. I hereby waive any right I have to a speedy hearing, including the right I have under IRLJ 2.6. I understand that I am entitled to only one deferral for a moving violation and one deferral for a non-moving violation in a seven-year period as defined by WAC 308-104-160. I have not been granted a deferral in the past seven years.

5. I certify or declare under the penalty of perjury under the Laws of the State of Washington that my foregoing statements are true and correct.
