

Learn and Grow Preschool

Midyear registration for the 2011-2012 school year

Learn and Grow Preschool offers three age-appropriate programs that encourage the child to explore the world around them. Classes involve a variety of fun and nurturing activities, including story time, finger plays, art, science experiments, discovery time, music and movement. Classes will begin in early September.

Open registration for Learn and Grow Preschool for the 2011-2012 school year will begin at 8 am on Friday, April 8, 2011. Class sizes are limited to 10 for Tots, and 14 for Tweeners and Pre-K, and fill up quickly. If classes fill, we would be glad to put your child's name on the waitlist, as openings do occur throughout the year.

Registration must be done in person. At registration, the following is required:

- A copy of the child's birth certificate
- A copy of the child's immunization form
- Payment of the supply fee. Monthly fees are based on a 10-month payment schedule running August 1, 2011 through May 1, 2012. Registration/supply fees are non-refundable.
